We acknowledge that a violation of the university's academic honesty policy occurred and agree to the following university sanction(s):

_____
_____
_____

We have read “A Culture of Honesty” and fully understand that by the student’s acceptance of this sanction he/she knowingly takes full responsibility for the incident, admits that he/she violated the university’s academic honesty policy, waives his/her right to a formal hearing and agrees with the proposed sanction. A record of this violation will be maintained by the Office of Academic Integrity for 5 years after the date of the student’s graduation or date of last attendance. In addition, if the student acknowledges another violation or is found by a panel in violation of the honesty policy a second time, he/she will be required to meet with the Multiple Violations Review Board and subject to the sanctions assigned by that Board.

We further understand that the student has the right to rescind this agreement by notifying the Office of Academic Integrity within 5 working days after the agreement is reached. If he/she chooses to exercise this right, he/she understands that a University Academic Integrity Panel will be convened according to the guidelines found in “A Culture of Honesty,” to determine if academic dishonesty occurred and if so, to assign the appropriate sanction(s) for the violation. If the student fails to comply with the sanction listed above, the Office of Academic Integrity may convene an Academic Integrity Panel to impose additional sanctions.
